

PROGRAMMES & Workshops

B4UDECODE

Relationships and Sexual Health Programme to help young people make responsible decisions in relationships. Develops decision making, assertiveness and self esteem. Tackles personal safety, body awareness, consent, rights and responsibilities in relationships.

DIGITAL SAFETY

Digital Safety & Responsible Online Behaviour - Cyberbullying, Online Gaming, Keeping Passwords Safe, Sharing personal information on Social Networking Sites, Blogging safely and lots more.

INTRO TO CANVA

Learn how to use this free online graphical tool that uses design, photo editing and layout. Great for creating presentations, graphs, posters, projects and lots more.

TEEN BABYSITTING

Learn basic First Aid, home safety and how to care, feed and change an infant in this popular workshop. Certificate and first aid/home safety booklet will be received on completion.

EUROPEAN YOUTH MOBILITY

Information workshops aimed to increase young people's awareness of opportunities available to study, train, work and volunteer in Europe. In partnership with Eurodesk/Leargas.
